

Living intentionally
means
making good choices
and repeating them
so that you
and the world around you
gets better
day by day.

Pupils in a Jesuit school are growing to be **intentional** in the way they live and use the resources of the earth, guided by conscience; and **prophetic** in the example they set to others.

Jesuit schools help their pupils grow by being communities which are **intentional** in their way of proceeding to build-up quality of life; and which are **prophetic** in the way they offer an alternative vision of education and the human person, rooted in the gospel.
