

What does PROPHETIC mean?

/prə'fɛtɪk/

In the Christian tradition, prophetic has a special meaning . . .

thinking about making better choices

speaking the truth (even when people don't want to hear it)

standing up for what is right (even when it makes you unpopular)

living by actions not words

Pupils in a Jesuit school are growing to be **intentional** in the way they live and use the resources of the earth, guided by conscience; and **prophetic** in the example they set to others.

Jesuit schools help their pupils grow by being communities which are **intentional** in their way of proceeding to build-up quality of life; and which are **prophetic** in the way they offer an alternative vision of education and the human person, rooted in the gospel.
