

INTERNATIONAL STUDENT LEADERSHIP CONFERENCE

2020

MOUNT ST MARY'S COLLEGE, ENGLAND, UK
A JESUIT SCHOOL ESTABLISHED IN 1842

2ND - 5TH APRIL 2020

This year's Student Leadership Conference will take inspiration from the Jesuit Refugee Service Change Project and will be a forum for discussion and sharing on how our students can lead our response to the needs of migrants and refugees.

"We know that it is our students who will shape the attitudes and societies of tomorrow. We want to help form and enable young people to make a CHANGE in their schools and local communities".

CONFERENCE DETAILS

INTERNATIONAL STUDENT LEADERSHIP CONFERENCE

2ND - 5TH APRIL 2020

Delegates

We invite schools to send a delegation of up to eight senior school students, aged 15 to 18, plus accompanying teachers. During the conference, international teams will be formed with a student from each country joining and working together to debate a common theme that has a universal impact on the world.

A Central Location

Our location in Derbyshire, in the heart of England, makes us easy to reach by road, rail and air. We are approximately 90 minutes from London by train and within easy reach of Manchester, East Midlands and Birmingham airports.

Those travelling longer distances may want to discuss options for extending their stay before or after the Conference.

Costs

The Conference itself is free. We only ask for each school to make a contribution towards the costs of accommodation and meals which will be £150 for those arriving on Thursday 2nd and departing on Sunday 5th. For those living in the vicinity of the school or making their own accommodation arrangements the day Conference rate is £15.00 including lunch or £25.00 for full board, including breakfast and dinner.

We are happy to negotiate a rate for extra days for those wishing to arrive earlier or stay on after the Conference.

You will be responsible for your transport costs to and from the airport/train station. We are however pleased to arrange this for you.

Book by emailing the Headmaster, Dr Nicholas Cuddihy
